Important Note: This is a simplified guide. The map above refers to jurisdictions rather than States. Some borders are disputed and the above map should not be considered an endorsement of any particular territorial claim. The above map may not cover all types of claim. Some of the arrangements depicted do not involve full reciprocity of enforcement. Reciprocal enforcement may still be possible with jurisdictions not highlighted above, depending on local and national laws. Not all dependent territories or equivalents may be shown. For Canada, India, and Australia, reciprocal arrangements may not apply to the entire territory. In some cases, judgments may only be enforceable in certain territories within a jurisdiction.
